## Lit Wits Book Group Monday, Mar. 9 at 6:30 PM

The March book selection for mature readers is *The Life We Bury*, by Allen Eskens. Joe Talbert is a college student who needs to find a subject to interview for an English class assignment. Once Joe meets the dying elderly man he will write about, however, he becomes personally involved in righting a wrong that has ruined the man's life. Meanwhile, Joe must grapple with his troubled family as he tries to maintain his independence and protect his younger brother.

## Readers Anonymous Book Club Tuesday, Mar. 17 at 6:30 PM

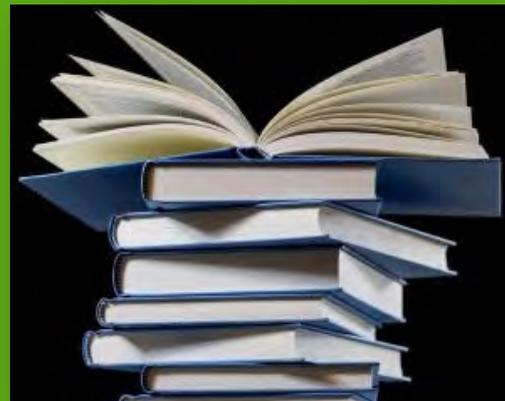

The March selection for this book club for readers in their 20s and 30s is *Inland*, by Tèa Obrecht. This historical novel set in the drought-stricken American West of the mid-to-late 1890s traces the paths of two characters. The stories of Nora, a frontier wife and mother, holding down the homestead in the absence of her husband and two of her sons, and Lurie, an immigrant running from the law by trekking west, converge in this tale filled with ghosts and thirst.

Contact Zach at 356-6166 for meeting location details.
