### Baraboo City Team

#### Red Devil's Basketball Team

**Glen Quale** remembers that **John Dithmar** was the "manager" of the **Red Devils** and helped with organizing games and financing.

**Peter Arndt** relates that his Father **Rube Arndt** and his uncle **Bud Arndt** were also on the Red Devil's team, probably right out of high school for and before the War. Peter also has his Father's Red Devil Pin.

**Joel Anstett** states that his uncle **Jerry Anstett** also played on the Red Devils with Rube and Bud Arndt. According to Joel's uncle Jack, the Red Devils were sponsored by **Al Boyd**, of **Boyd's Ritz**. He paid all the expenses & the players were not paid. Played for fun!
